EDUCATION

- **Norwegian University of Science and Technology (NTNU)** Trondheim, Norway
Bachelor of Engineering in Computer Engineering (BIDATA) Aug. 2024 – Jun. 2027
- **Oslo Handelsgymnasium** Oslo, Norway
Upper Secondary School, General Studies with Specialization in Natural Sciences Aug. 2021 – Jun. 2024

EXPERIENCE

- **Norwegian University of Science and Technology (NTNU)** Trondheim, Norway
Teaching Assistant Aug. 2025 – Present
 - Provide academic guidance to students in programming and mathematics courses.
 - Assess coursework assignments and provide academic feedback and guidance.
- **Hackerspace NTNU** Trondheim, Norway
Member, DevOps Team Sep. 2025 – Present
 - Develop features, improve existing solutions, and fix bugs on the Hackerspace website.
 - Collaborate in a team using GitHub and code review workflows.
- **Telenor Blå Sone 2026** Oslo, Norway
Participant – Software Development Workshop Sep. 2026
 - Participated in a practical software development case focused on developer workflows and collaborative problem-solving.

TECHNICAL SKILLS

- **Languages and Frameworks:** Java, Python, SQL, JavaScript, TypeScript, Spring Boot, Vue, React, FastAPI
- **Technologies and Tools:** REST APIs, Git, GitHub Actions, MySQL, PostgreSQL, Docker

PROJECTS

- **Convergence – CRDT Library**
Python library for conflict-free replicated data types and distributed synchronization.
 - Implemented six CRDTs with peer-to-peer synchronization over WebSockets.
 - Tested convergence and merge properties using pytest and Hypothesis.
- **Internal Control System**
Full-stack web application for internal control and quality management.
 - Developed REST API integration with secure authentication and role-based access control.
 - Ensured software quality through database migrations and automated unit, integration, and E2E testing.
- **Markdown Editor**
Markdown application with live preview and document management.
 - Implemented live preview, folder-based document management, export functionality, and user settings.
 - Built with Vue, TypeScript, Tailwind, Pinia, and Supabase.

LANGUAGES

- **Norwegian:** Fluent, spoken and written
- **English:** Fluent, spoken and written
- **Filipino:** Native
